Next Tale "The Taming of the Shrew"
Sunday, February 10

A strange courtship they made of it. She in loud and angry terms showing him how justly she had gained the name of Shrew, while he still praised her sweet and courteous words, till at length, hearing her father coming, he said (intending to make as quick a wooing as possible): 'Sweet Katharine, let us set this idle chat aside, for your father has consented that you shall be my wife, your dowry is agreed on, and whether you will or no, I will marry you.'
